## International SOS Summary of Services for Faculty and Staff

---

**PLEASE NOTE THAT THIS IS AN ASSISTANCE PROGRAM NOT HEALTH INSURANCE.**

### Summary of Services

Welcome to the Texas A&M University System Travel Abroad Program, providing all Texas A&M faculty and staff that travel internationally for business with medical, travel and security assistance, managed and administered by International SOS. International SOS is the world's largest medical and security assistance company, with more than 3,500 professionals in 24-hour Alarm Centers, international clinics and remote-site medical facilities across five continents. International SOS is the leader in their field, ready to help you with all of your medical and security needs.

International SOS's Emergency Record offers a secure place to store your medical history and input your vaccination records in an online repository. Other program benefits include:

- emergency medical evacuation
- medically-supervised repatriation
- repatriation of remains
- emergency message transmission
- emergency personal cash advances
- access to International SOS clinics
- security evacuation in times of crisis
- situational updates posted daily for security Hotspots

For more information on International SOS services and program benefits visit <http://www2.internationalsos.com/private/TexasAMUniversitySystem/> online.

### Membership Activation

Your membership is already active. Simply carry the International SOS membership card in your wallet at all times while traveling. Whenever you need service, contact one of the emergency phone numbers listed on the back of the card. You do not need to report specific trip dates to International SOS each time you travel. Visit the link listed above to print out a card now if you do not already have one.
